

QUT International College

Osego Modisenyane Botswana

Standard Foundation Graduate

The QUT International College was a very friendly and supportive environment for the extra language and academic help I needed to progress into a Bachelor of Applied Science. The small class size meant we got to know the tutor well and I now feel better prepared for university study.

Integral part of QUT

QUT International College provides a supportive introduction to life on campus, helping you settle in to university life and meet new people. International College students can access facilities across all QUT campuses including bookshops, libraries, computer rooms, sporting fields, gymnasiums, swimming pools and health and medical services.

Learning and teaching:

QUT International College's small class sizes, highly qualified and dedicated staff and cutting-edge multimedia and language resources combine to help students maximise their personal and academic achievements.

Student success:

The International College's learning and teaching facilities and individualised support services contribute to the high rates of progression of graduates to their preferred university programs. Graduates also enjoy a high success rate in their QUT degree studies.

Language and learning support:

As a student in our university entry programs you will have access to Language and Learning Advisors through individual and group sessions, to help improve your language and academic skills.

Welfare support:

We provide Welfare Advisors for personal counselling for the exclusive use of International College students.

International experience:

Each year we welcome a diverse mix of students from many different countries and continents into our friendly supportive environment. Join students from Asia, the Middle East, Europe, Africa and the Americas and enjoy a truly international educational experience.

Mentor program:

Specially trained student mentors provide assistance, guidance and support to help you adjust to studying and living in Australia.

Dedicated staff:

The International College's dedicated teaching and administrative staff are highly qualified and have extensive experience in teaching and assisting international students. Many of our staff have lived and worked overseas and some speak second languages.

Small classes:

Our class sizes are small to allow for greater interaction with teachers and other students, a key factor in developing academic skills and confidence.

Inner city location:

The International College is located two kilometres from the Brisbane city centre on the QUT Kelvin Grove campus.

Facilities:

The International College has its own student learning and recreational facilities for the exclusive use of its students. These include six computer labs (two open 24 hours a day), language laboratory, Independent Learning Centre, and multimedia enabled lecture theatres. Students have their own dining room and common lounge.

QUT IELTS Test Centre:

The QUT IELTS Test Centre provides the opportunity for current QUT students as well as students external to the University, to sit an IELTS test on campus. Located at the QUT International College, the Test Centre offers both General Training and Academic modules.

Tests are offered regularly however candidates are encouraged to apply well in advance of the test date to avoid disappointment.

Further information relating to the test dates, application process and fee structure can be viewed at www.qut.edu.au/qutic/ielts

Orientation:

We offer all International College students an orientation to both the College and the University. Staff are available to assist with everything from course enrolment to adjustment to life and study in Brisbane.
