

QUT International College

Osego Modisenyane Botswana

Standard Foundation Graduate

The QUT International College was a very friendly and supportive environment for the extra language and academic help I needed to progress into a Bachelor of Applied Science. The small class size meant we got to know the tutor well and I now feel better prepared for university study.

Why choose QUT International College?

Guaranteed entry:

Students who successfully complete the International College English for Academic Purposes (EAP) or EAP Plus program with the required percentage will meet the English language requirement for QUT courses that require an IELTS of up to 6.5 (or equivalent) for entry.

If you successfully complete an International College Foundation program with the required faculty grades then you are guaranteed entry into the first year of most QUT undergraduate programs.

Successfully complete a University Diploma in Business or Information Technology with required faculty grades and receive full advanced standing for two semesters and guaranteed entry into the second year of the relevant QUT undergraduate program.

If you successfully complete a University Diploma in Creative Industries with required faculty grades, you will receive advanced standing for up to two semesters and guaranteed entry into one of the nine available Creative Industries undergraduate programs.

Integral part of QUT:

QUT International College provides a supportive introduction to life on campus, helping you settle in to university life and meet new people. International College students can access facilities across all QUT campuses including bookshops, libraries, sporting fields, gymnasiums, a swimming pool and medical services.

Learning and teaching:

Our highly qualified and dedicated staff and cutting-edge multimedia and language resources combine to help you maximise your personal and academic achievements.

Student success:

The International College's learning and teaching facilities and individualised support services contribute to the high rates of progression of our graduates to their preferred university programs. Our graduates also enjoy a high success rate in their QUT degree studies.

Language and learning support:

As a student in our university entry programs you will have access to Language and Learning Advisors through individual and group sessions to help improve your language and academic skills.

Welfare support:

We provide Welfare Advisors for personal counselling for the exclusive use of International College students.

International experience:

Each year we welcome a diverse mix of students from many different countries and continents into our friendly supportive environment. Join students from Asia, the Middle East, Europe, Africa and the Americas, and enjoy a truly international educational experience.

Mentor program:

Specially trained student mentors provide assistance, guidance and support to help you adjust to studying and living in Australia.

Dedicated staff:

The International College's dedicated teaching and administrative staff are highly qualified and have extensive experience in teaching and assisting international students. Many of our staff have lived and worked overseas and some speak second languages.

Small classes:

Our class sizes are small to allow for greater interaction with teachers and other students; a key factor in developing academic skills and confidence.

Inner city location:

We are located two kilometres from the Brisbane city centre on the QUT Kelvin Grove campus.

Facilities:

The International College has its own learning and recreational facilities for the exclusive use of its students. These include six computer labs (two open 24 hours per day), language laboratory, Independent Learning Centre, and multimedia enabled lecture theatres. Students have their own dining room and common lounge.

QUT IELTS Test Centre:

QUT IELTS Test Centre is conveniently located at the Kelvin Grove campus, just two kilometres from the Brisbane city, and offers both General Training and Academic modules.

This Test Centre is open to internal QUT students, as well as candidates external to the University. Tests are offered regularly however candidates are encouraged to apply well in advance of the test date to avoid disappointment.

Further information relating to the test dates, application process and fee structure can be viewed at www.qut.edu.au/qutic/ielts

Orientation programs:

We offer students an orientation to both the College and the University. Staff are available to assist with everything from course enrolment to adjustment to life and study in Brisbane.

QUT International College

Successful completion of International College programs with the required grades and English language score provides a pathway entry into your chosen QUT course.
